

As Plug and Play facility, HSIIDC has developed built up sheds/flatted factories at IE Faridabad and Mega Food Park Barhi. These Plug and Play campuses have all the requisite infrastructure like ;

- i. Road,
- ii. Water supply,
- iii. Sewerage,
- iv. Electric infrastructure,
- v. Power backup,
- vi. Lifts,
- vii. Toilet blocks,
- viii. Pantry,
- ix. Firefighting,
- x. Security service,
- xi. Drainage,
- xii. Convenience shopping,
- xiii. Green areas,
- xiv. Internet facility,
- xv. Solid waste disposal system,
- xvi. Petrol station,
- xvii. Boundary wall etc.

These campuses have necessary following approvals in place, and allottee is not required to obtain the same.

- i. Zoning plan,
- ii. Building plan,
- iii. Site inspection,
- iv. DPC and
- v. Occupation certificate

The allotment of sites is made as per the procedure and within time line prescribed for allotment of Industrial Plots. After allotment, the allottee can immediately start the work by taking possession.

The allottee has only to take the followings:

- i. Electric connection from DHBVN,
- ii. Water and sewerage connection from HSIIDC.
